Online Reading Project

OCTOBER - NOVEMBER 2022. READING ONLINE DURING COVID LOCKDOWN. During the COVID LOCKDOWN RESTRICTIONS, we tried to reach the children online via programs online. Children from lower backgrounds could not access the same. Also, children also fell victim to online issues. Online Reading Circles for Adults and Children were also tried. The strength was poor, it is decent project if more people can join together.

A Geography workshop was conducted by Ms Remya Jeyaraman from USA for children.

Covid Medical Relief

MAY 2021. MEDICAL RELIEF TO TIRUPPUR GH. We were able to reach out to a Paediatric Doctor there who personally took interest in reaching out to us in the middle of the medical crisis to bring a change. There was a huge demand for these disposables like O2 Masks and Nasal Prongs. Costs were too high and we arranged the same from Coimbatore to them. We are thankful to the Doctor friends who raised this issue and gave us the opportunity of doing this service. We also gave a small donation to the Tamil Nadu Chief Minister's Relief fund extend as a gesture in such times.
